My name is Jennifer Broadwater. I am the Administrative Officer for the Spinal Cord Injury/Dysfunction (SCI) Service.

I have been working for the St. Louis VA since 2006, initially with the Executive Office and since 2007 as Director of Customer Service. I joined the SCI Service in March 2010. I obtained a Bachelor's degree from Indiana University in Bloomington, Indiana, and a Master's degree in Healthcare Administration from Washington University School of Medicine, St. Louis, Missouri.

I have enjoyed the opportunity to use suggestions and comments from veterans and staff in order to optimize the care and services we provide. My past experience will help me improve processes also in my work with the SCI Service.

I can be reached in my office (2S37) or at 314-652-4100 or 800-228-5459. ext. 6-4833.
